This is the Valley of the Lily,
the Lover,
and the Scholar,

Where a college is happening.

Really.
Wasn't it time
for a college?

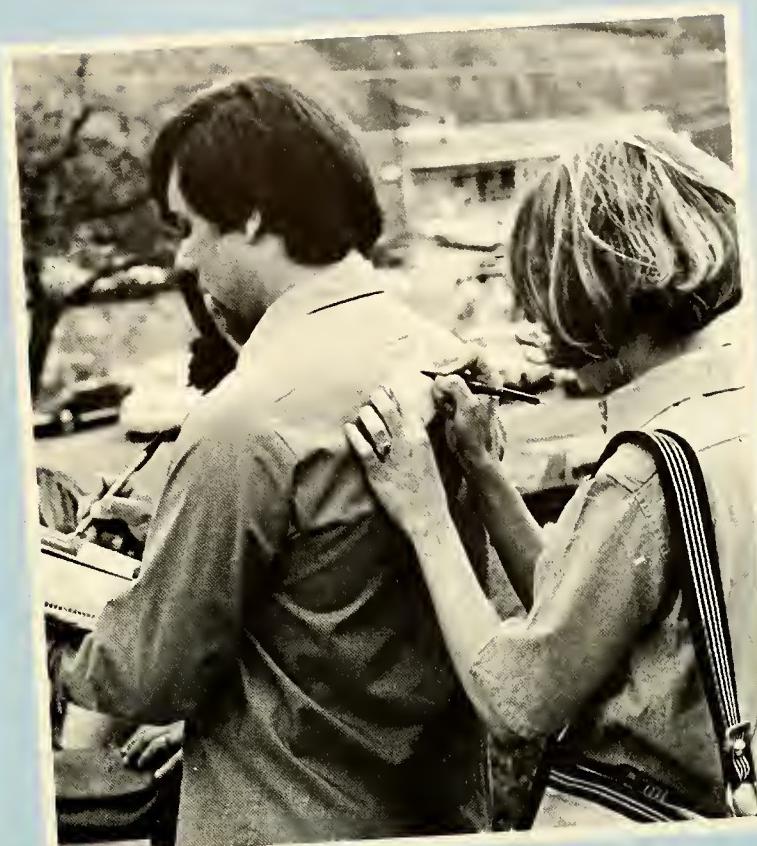

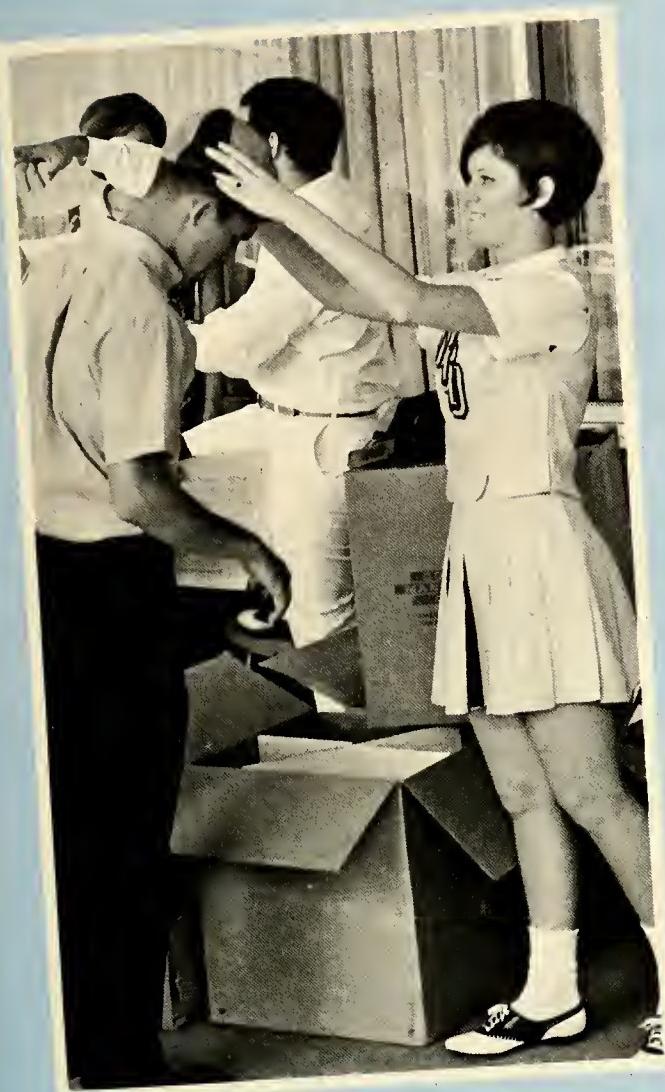

Think about it,
Because sooner or later,
You will have to think
about something.

A year of your college career is over . . .
So just how was it?

The place changed a little as it grew,
Or you grew a little as it changed,
Or everything else changed and grew,
And you sat back and surveyed the process.

Or did you?

It may be hard to remember,
Because the weekends occupied a great part of your time.

But Friday's Budweiser always became Monday's
alka-seltzer,
The alarm clock blarred out in mechanical precision,
And you reached out to restore the quiet,
Letting the 8:00 you stood in line to keep,

Become the one you cut.

Or did you?

So just how was it?
And didn't we have a controversial time?

Complete with Moratoriums . . . demonstrations,

And a Number One Football Team.

It was a controversial time,
And a University came out of it.
A controversial time,
But that's life.
It comes complete with

meal tickets,
busy telephone numbers,
Potatoes for supper,

And People.

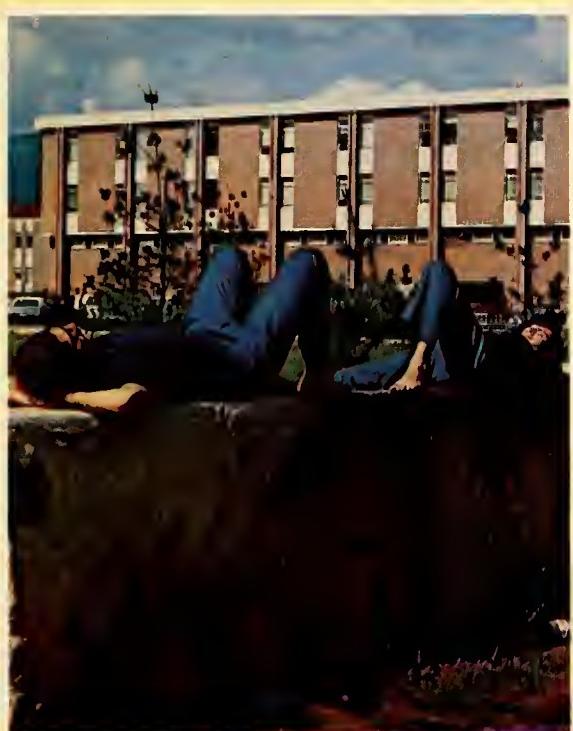

People.
Different.

The people who sat in the back of the Town House
with Greek jackets and soul,
The people who sat in the front with
long hair and hard rock,
The people who spent spring afternoons
on the hill in front of McKee,
The people who preferred first floor Stillwell.

People.
Different.

This was the Astrology Hour.
You were a Taurus, she was a Gemini,
And all the astrologers on campus
Said you were not compatible.
Morning newspaper horoscopes passed,
Over coffee and the optimistic weekends,
Until the stars finally won out.

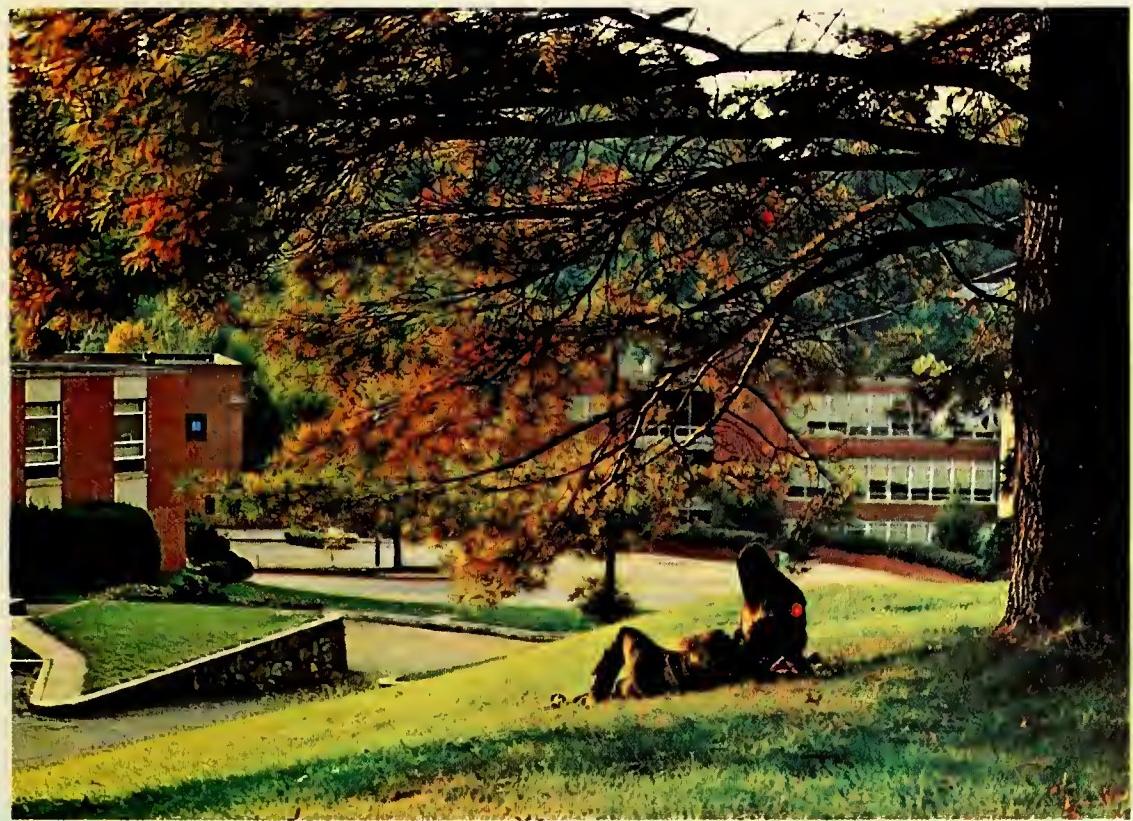

She smiled at you through one syllable sentences,
Her eyes leveled just above your shoulders,
Until she really became a distant constellation.

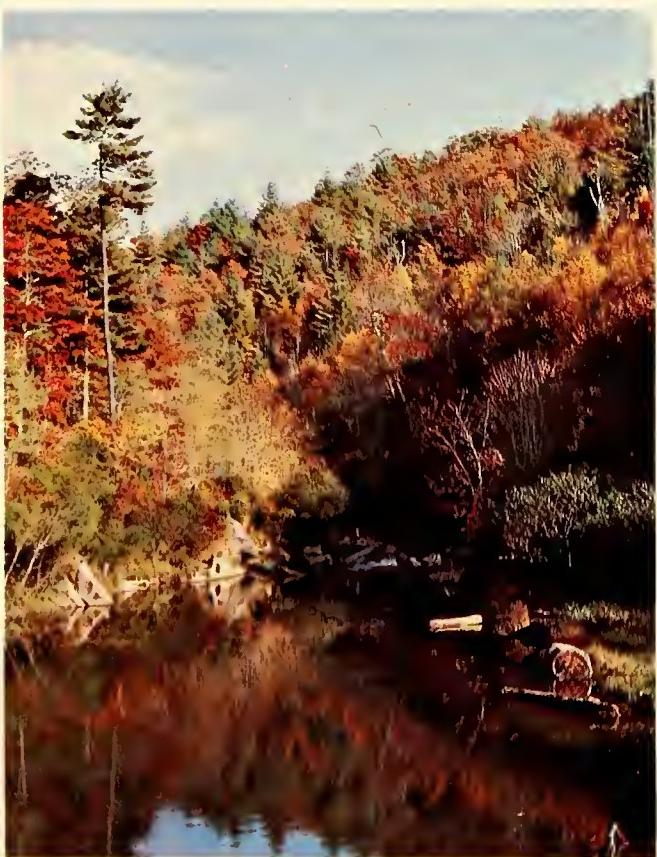

And the Astrology Hour was over.

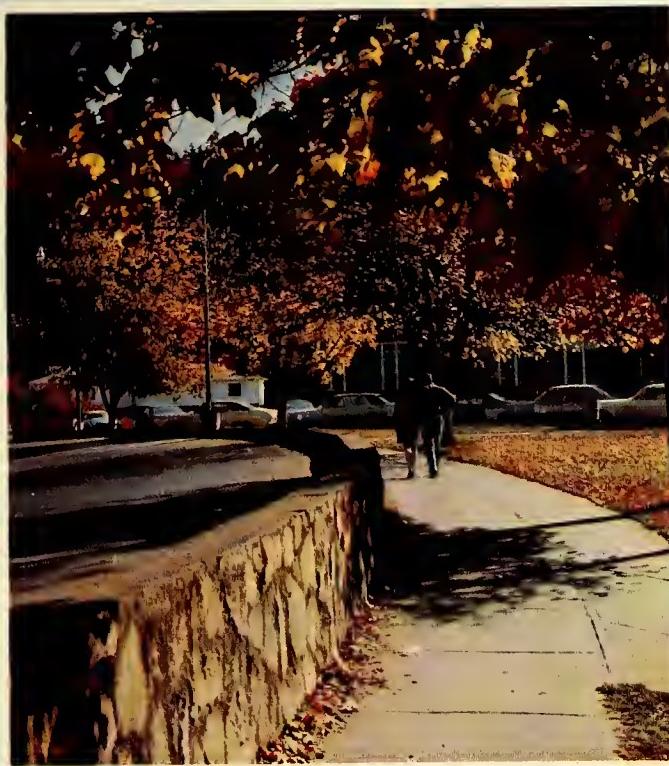

The world was foggy for awhile,
You looked at it through eyes lined with waxed paper,

Playing it Cool . . .

And then the fall brought
a neon haze,

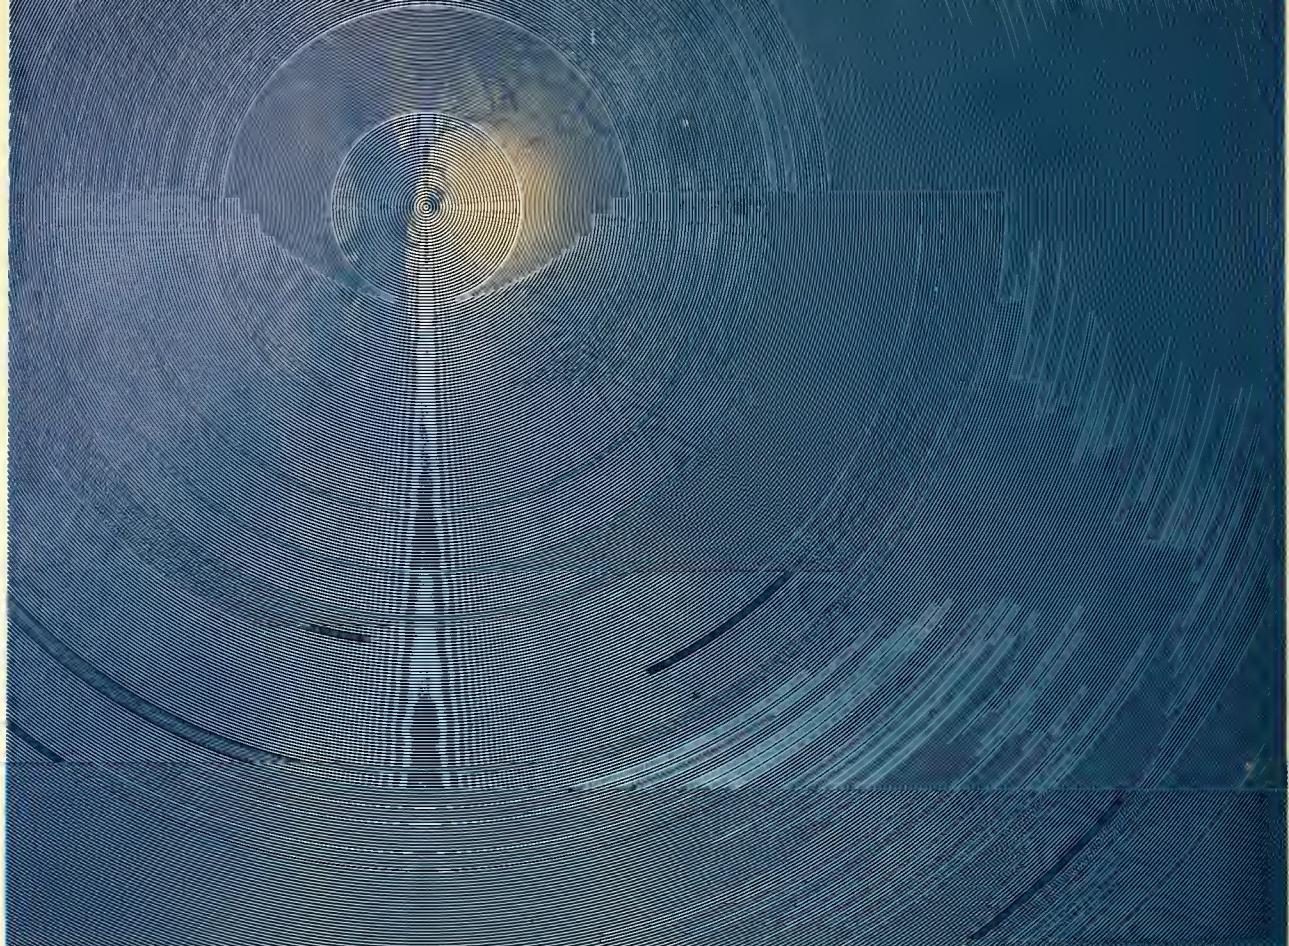

Clouds which momentarily
hovered above your
tossed hair.

And then became
disinterested;
Darting like opposing magnets,

To honor the forecasts,
Of
a
beckoning

climate.

Did you ever want to rebel,

Just once in your life,

And fall

UP . . .

Just once in your life?

Then the leaves changed,
Crumbled between your fingers,
Made proclamations of independence
Beneath your footfall,
And were gone.

Winter offered a virgin Hallmark Christmas card,
and a hundred bundled bodies packed in The Town House,
Coffee and Hot Chocolate,
Snowballs outside dorms,

the post office,
classroom buildings,

And just about

Everywhere.

Until the Slush melted into Spring,
And chased you through singing fields,

Bringing you down
to rhapsodize the wild flowers,

Campaigning for your candidate,
And how was the beach Easter?

So it's over for awhile.

The people have gone home,
And the only party remnants,
Are the empty liquor bottles.

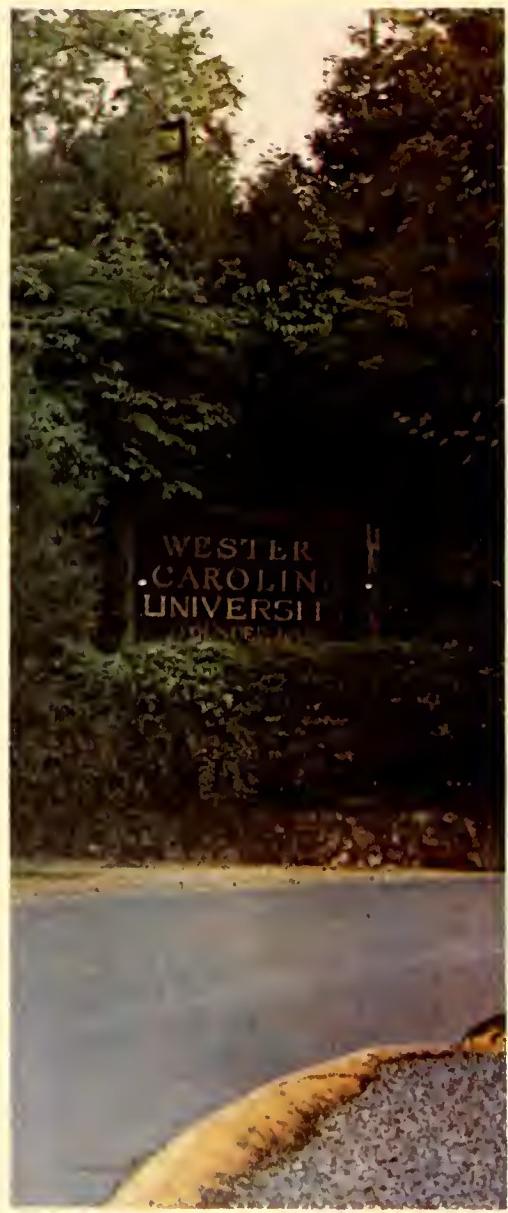

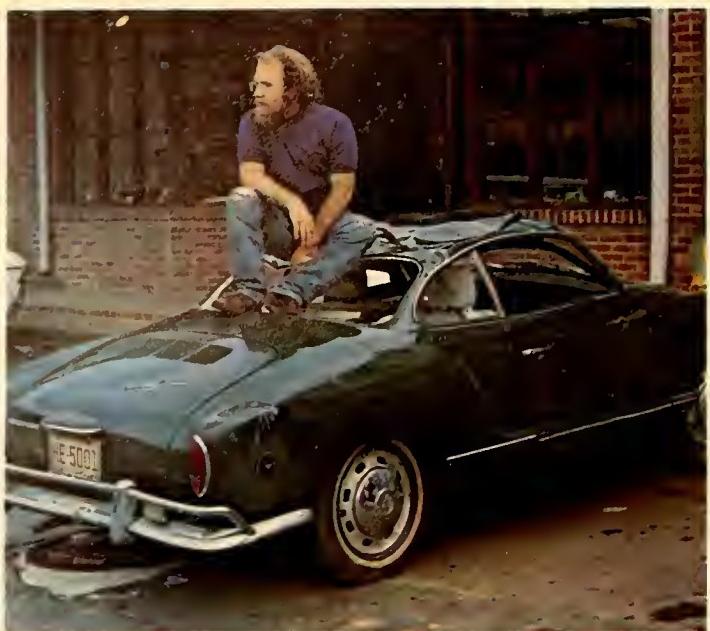

The people have gone home,
And no one needs a ride,
To Greensboro or Atlanta,
Leaving at 2 p.m.

The people have gone home,
And empty desks in silent classrooms,
Are no longer decorated
With coffee cups
And crumpled test papers . . .

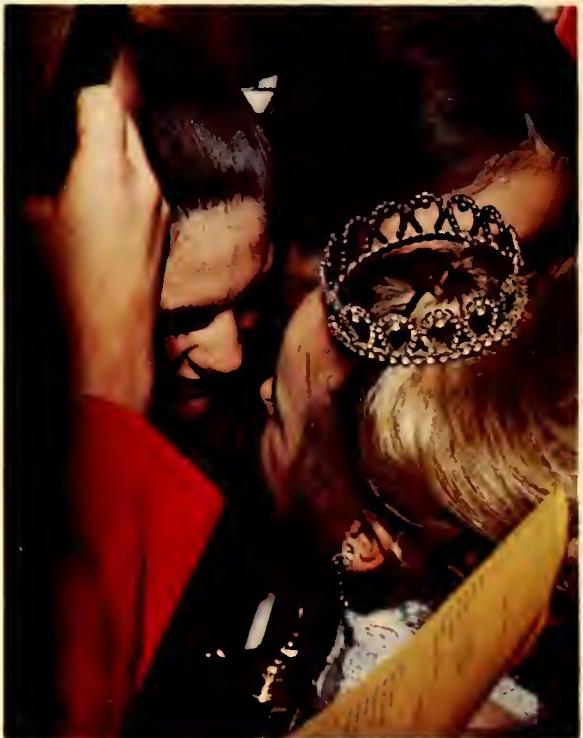

The people who became Lovers and Scholars in the Valley of the Lilies,
The people who made a University happen,
Neutralized it and made it work,

University level,

Life level
Welcome to it.

CARSON NEWMAN

The 1969 edition of the Western Carolina University Catamounts bounded into the season with a bang by shooting down the Indians of Carson Newman 20-17. The brutal victory revealed the answer to the question that the interested public and enthusiastic student body had asked . . . How good are the Cats?

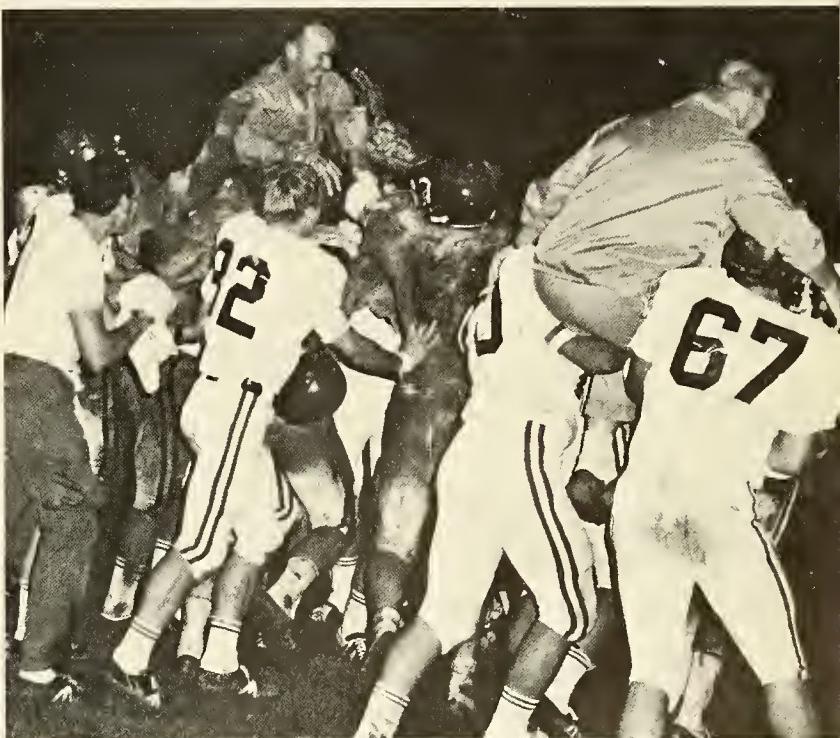

The arm of Quarterback Don Dalton and the hands of Steve Spradling and Paul Smith began the process of answering that question. After the come-from-behind victory, the Cats had set a precedent for other intruders of Catamount Territory and had answered the question.

APPALACHIAN

Western Carolina's Catamounts marched to their second victory of the season by upending archrival Appalachian State 35-7. The Cats surged to a 14-7 halftime lead with the running of fullback Gary Dotson and tailback Otis McIntosh. The second half was all "Cat" as passing ace Don Dalton continually found the mark. Harvey Walker, defensive halfback and punt return specialist, finally put the game out of reach with a sensational 65 yard return. Unquestionably, the Cats are "King of the Mountain."

JACKSONVILLE

The Catamounts remained undefeated by outclassing Jacksonville State University by a score of 14-7. The Cats consistently outplayed the Gamecocks but failed to make the big scoring plays. Western had to stage a rally in the final minutes of play to overcome a 7-6 deficit. Quarterback Don Dalton took the Cats 70 yards for the final TD, hitting catback Paul Smith in the end zone with 6:39 remaining in the game. The two point conversion capped the final score. Kicking specialist Jim Corley kicked six points onto the scoreboard by booting two field goals.

EMORY and HENRY

The talented Cats battled on to their fifth victory by stinging the Wasps of Emory Henry 38-24. Fourteen individual and team records were either shattered or tied in the impressive game. To mention a few of the records: Don Dalton for most yards total offense and most yards passing at 433 yards; Steve Spradling on a total 167 yards pass receptions; Jim Corley for most PAT's with 38; and Harvey Walker for intercepting two passes, bringing his total to six, and breaking the old, single-season mark of five.

CATAWBA

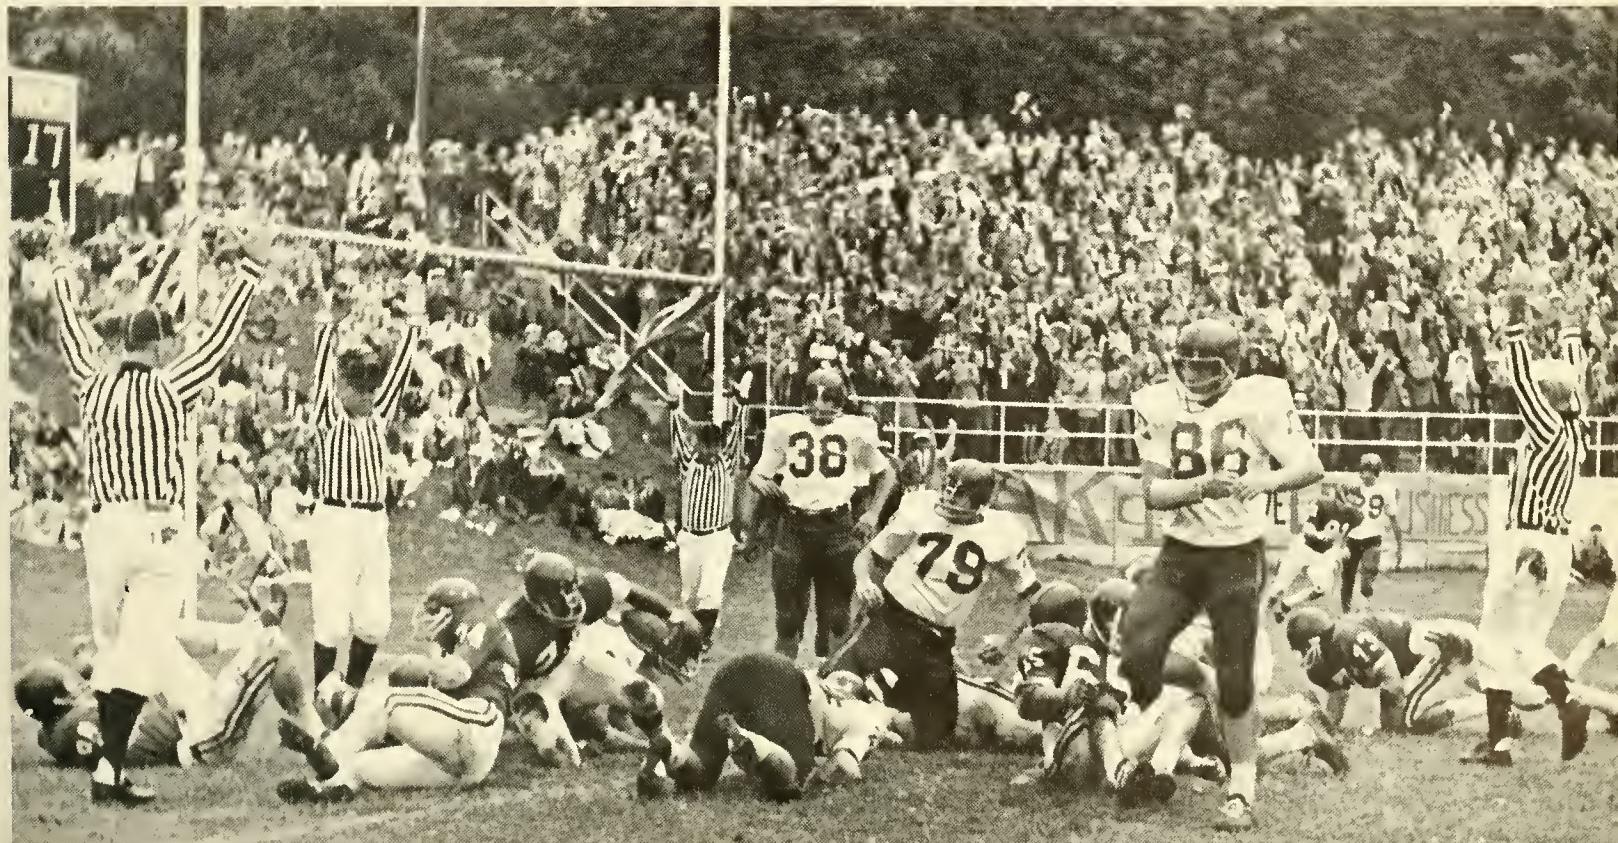

The potent Catamounts rolled to their fourth straight victory by scalping the Indians of Catawba 22-16. A stingy Cat defense kept the battling Indians under control the entire game. Sophomore Jim Corley aided the winning cause while setting two WCU school records. He kicked three field goals which erased the single game mark of two shared by Phil Brooks and Van Stayton. One of the field goals was a 41 yarder which broke the previous record of 39 yards held by Stayton.

LENOIR-RHYNE

Lenoir-Rhyne, undefeated and ranked third in the National Association of Intercollegiate Athletics, invaded "Catamount Territory" on Homecoming Day 1969. At 2:00 p.m., under overcast skies, the Bears and the Cats began the pawing and clawing battle of the unbeatens. An estimated 9,000 Cat-fans, the largest ever to see a game in Memorial Stadium, yelled and cheered in delight when the Cats scored and moaned and groaned when the Bears put points on the scoreboard. The intermittent rain, which plagued the entire battle, did not dampen the spirits of either the Cat-fans or the Cat-players; Each did his part. From the bleachers, from the stands, from the end zones and from the surrounding mountains came the jubilant cheers of approval and from the battlefield came victory. At 4:47 p.m. the battle was over and Catamount Territory was a little larger. The Bears were no longer undefeated. This was "Happening '69".

ELON

The Catamounts, now ranking as the sixth-best team in the NAIA, rolled on to their sixth straight victory by defeating the Christians of Elon on their Homecoming Day. The passing game of the Cats was throttled by the inspired Christian's zone defense. The running game, however, with Otis McIntosh leading the way, proved to be too much for Elon. Winning 17-13, the Cats returned to the "Valley of the Lillies" still undefeated.

SAMFORD

Ranked third nationally in the NAIA polls, the Catamounts ran and passed their way to a convincing 47-13 win over Samford University in Birmingham. "Aerial Ace" Dalton passed for three TD's while tailback McIntosh cashed in on runs of 54 yards and 37 yards as the Cats amassed 514 total yards against the outcotted Bulldogs. In bringing their record to 8-0, the Cats showed an amazing combination of brute force and ballet-finesse.

NEWBERRY

The Western Carolina University football team, working at the optimum level of productivity, trounced the Newberry Indians as they rolled on to their ninth victory of the year. The explosive offense put 70 points on the scoreboard while the methodical "Tuff Cats" continuously contained the Indian's offense and did not allow them a single point. By defeating Newberry, the Catamounts passed another milestone in WCU football history and made 1969 the winningest year ever for a WCU gridiron team.

PRESBYTERIAN

To speculate what may have been or what might have happened would serve no purpose at all. 1969 is merely part of history now as is the 1969 Western Carolina University football team. The fact is that the Catamount team ended the season with a 9-1 won-lost record, losing only to Presbyterian in the final game of the season 28-17. Many individual and team records were tied or broken proving only that this was a great team. At this point in time, the 1969 Catamounts are the greatest ever.

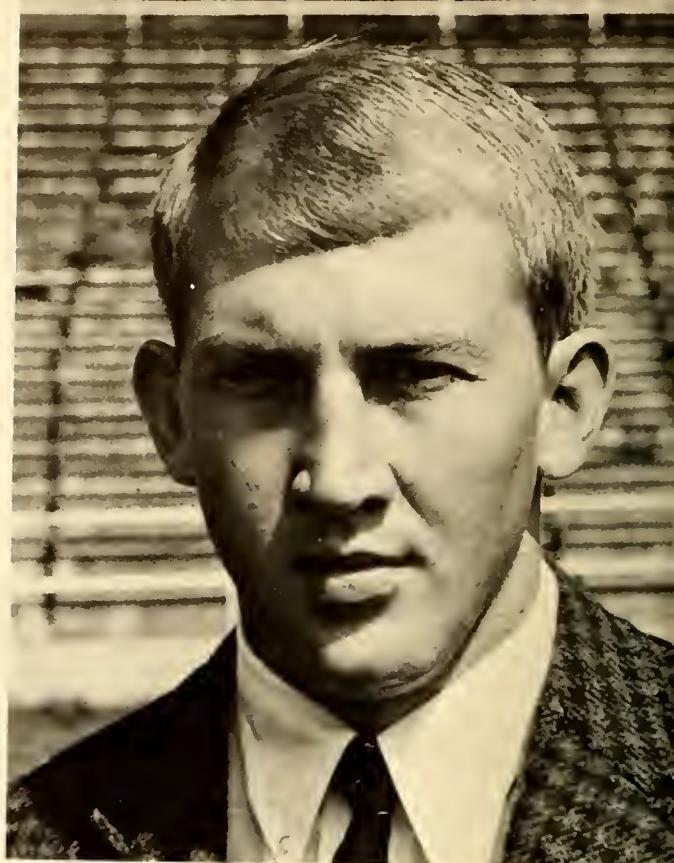

Freshman Football

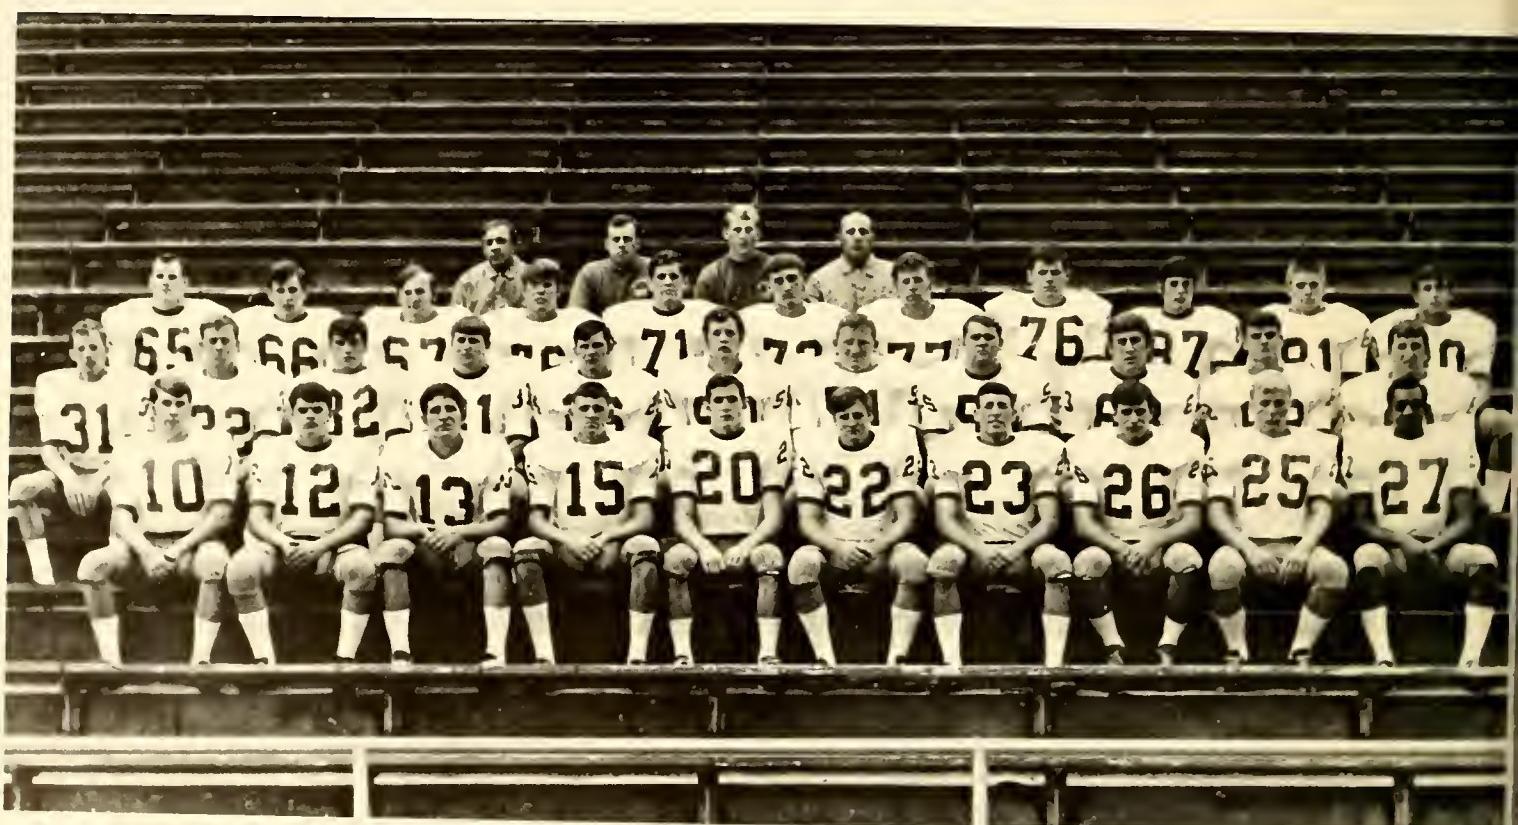

A freshman football player must possess one quality — desire — to play, to win and to improve. Eventually, if the desire is great enough, he will become a varsity player — perhaps even a starter.

The entire 1969 Kittymount squad possessed desire. Each gridder played and improved, but the wins were hard to obtain. In fact, there was only one victory this season. That one was against archrival Appalachian. The remaining four games on the schedule turned up hard-fought losses to tough teams from Mars Hill, Gordon Military, Lees-McRae and Davidson.

Freshmen players must work extra hard during their first season. The bruises they get come not only from their opponents, but from the varsity veterans too. During the sweat of everyday practice they are called on to simulate offenses and defenses of varsity opponents. There is little reward as a freshman player; no title to win if you win all your games; no national championship to aim for. But there is a tomorrow, if you can just keep enough desire to get there.

BARRY KEADLE
Assistant Basketball Coach

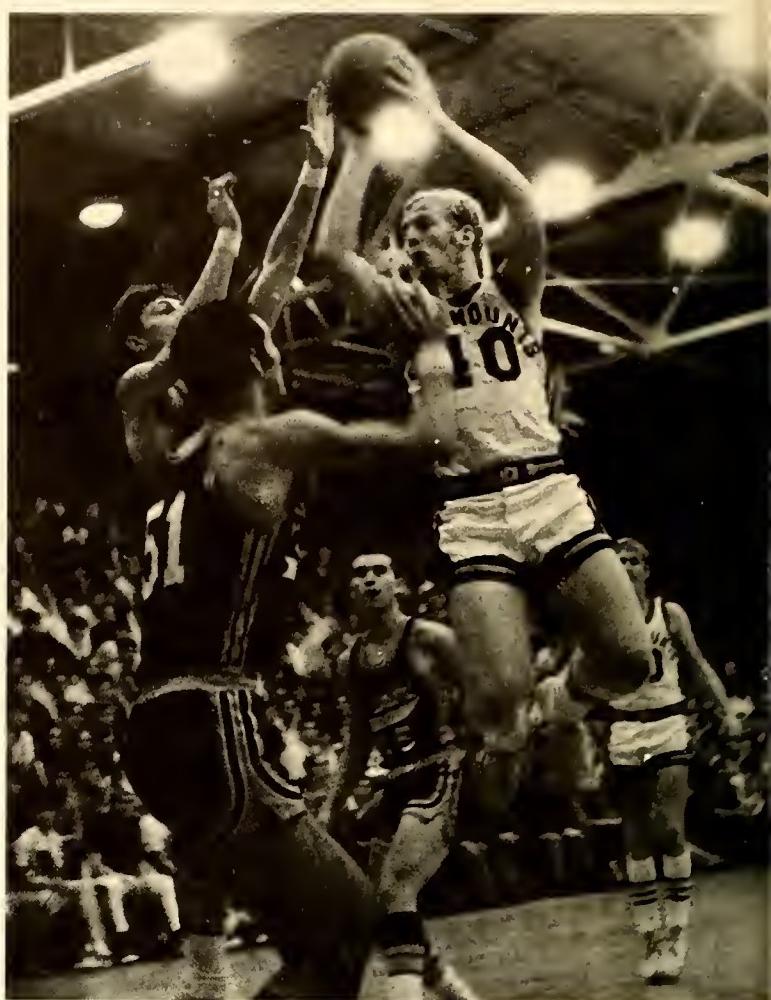

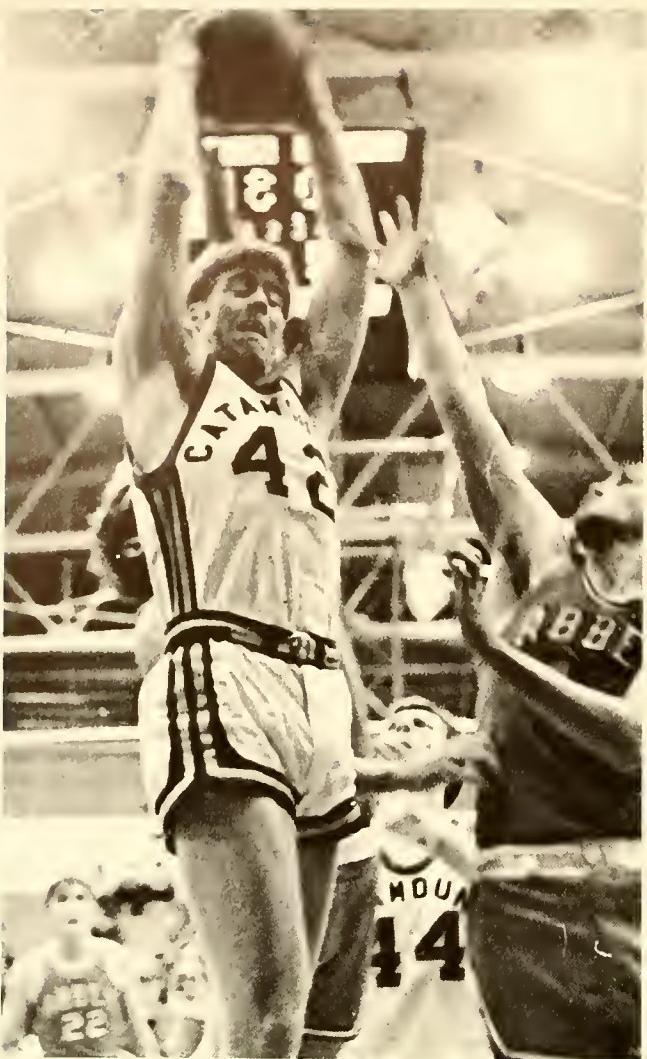

In its first year under new head coach Jim Hartbarger, the 1970 basketball team acquired considerable experience which should be an asset to next year's team.

The season began with an impressive 109-81 victory over Piedmont College. The next five games, however, resulted in losses to such teams as Elon, Catawba, Carson Newman and strong NCAA teams East Carolina and Eastern Kentucky.

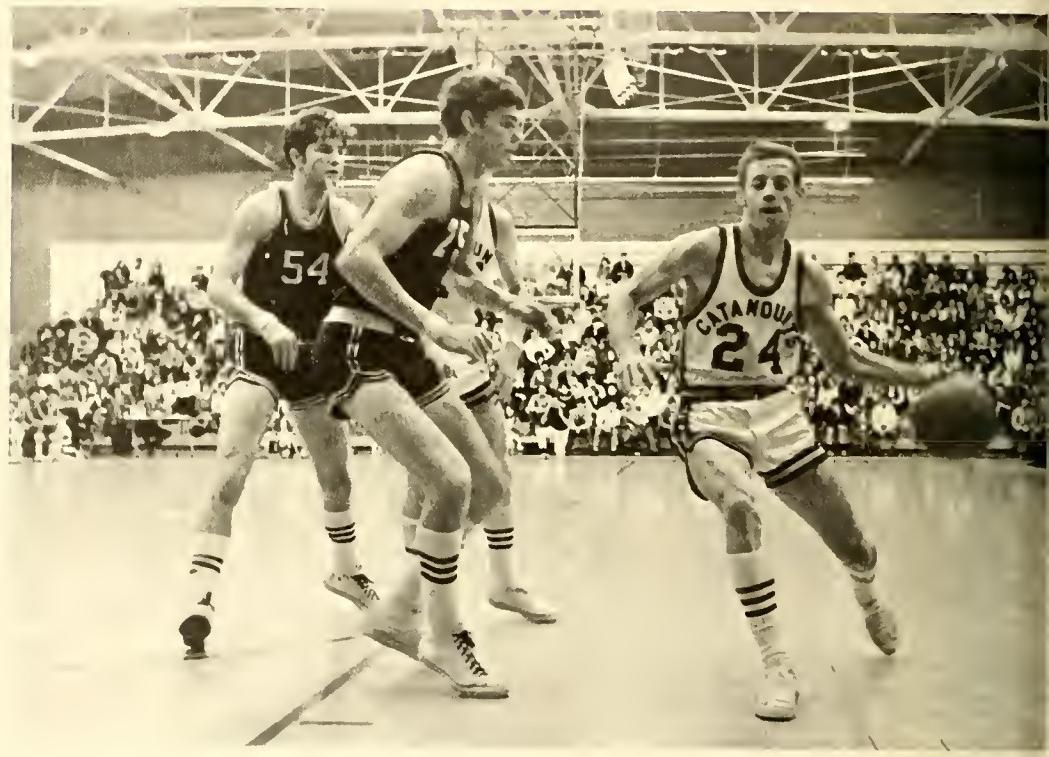

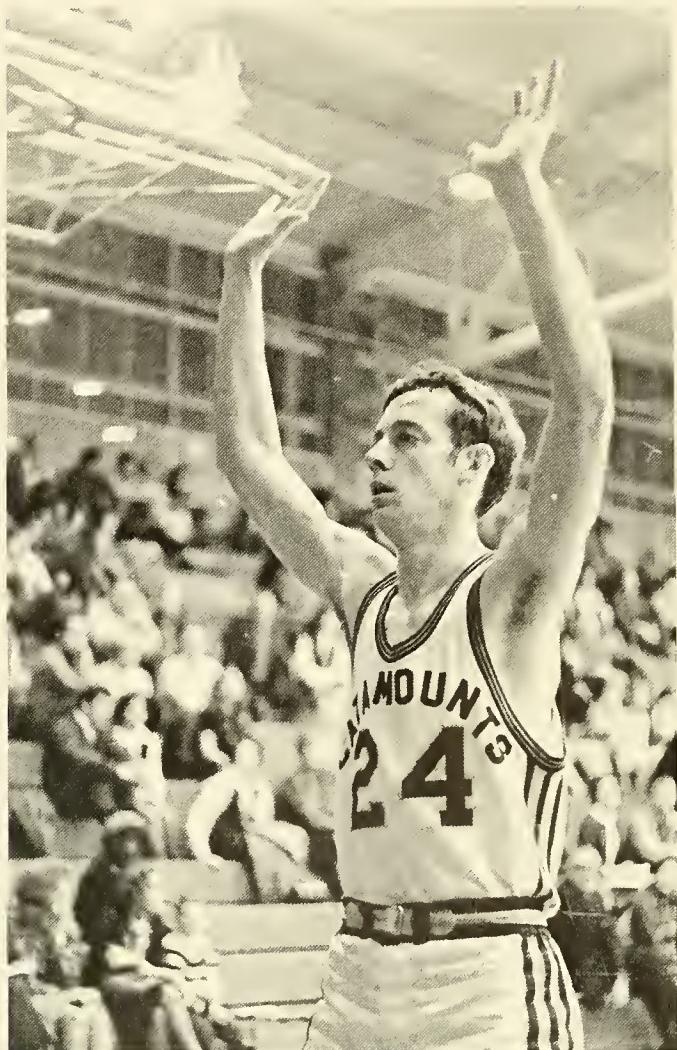

The Cats began a four-game winning streak by defeating Tennessee Wesleyan 86-77. Guilford, who placed second in the NAIA championships in Kansas City this year, finally stopped the Cats' by winning 84-73.

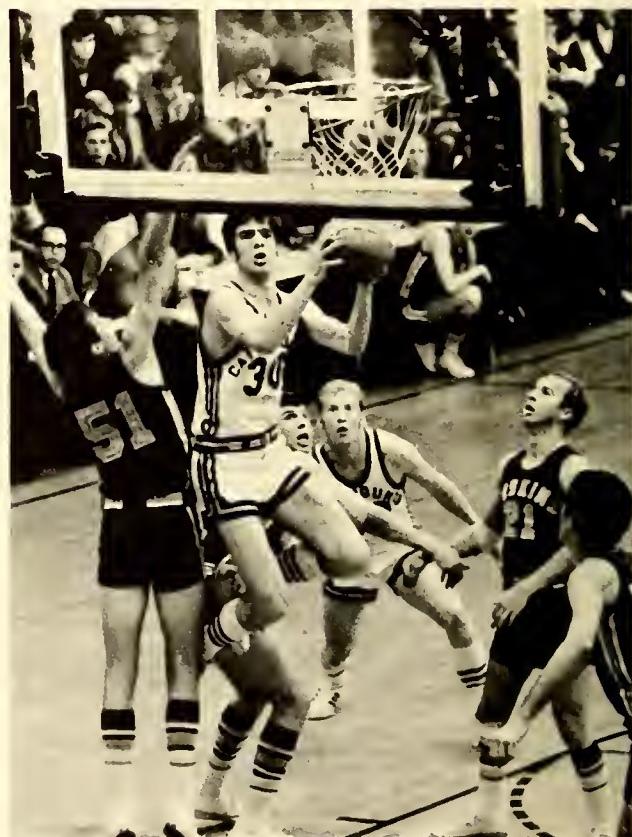

In the end, the Cats compiled a 13-18 won-lost record. The experience gained by players this year should produce an excellent record next year. Mike Manis, Rick Campbell, Mike Stump, Tommy Roach, Wilson Scott, Howard Winston, Larry Grant, Joe Wolfe and Paul Litz should make next year a most interesting one. The playing ability of seniors Gene McConnell, voted the most valuable player, Mal Brown and Gregg Robinson will be missed.

Women's Basketball

In their fourth year of varsity competition, the Women's Basketball team won 16 and lost 3 games. During regular season play, the team compiled 12 wins against no losses. In tournament play the women Cats had a 4-3 record losing to East Tennessee University in the Winthrop College Invitational and losing to California State College and Ursinus College in the second annual National Tournament in Boston, Massachusetts.

The team was led in scoring by Brenda Williams with a 12.5 average followed by Barbar Jo Kaylor and Jane McClees, both with an average of 7.7 points per game.

Seniors Jane McClees, Edna Jessup and Marilyn Sheets will be leaving the team this year. The efforts of these graduating seniors, the other members of the WCU Women's Basketball team and Coach Betty Westmoreland earned them the distinction of representing the Southeastern section of the country and placed them fourth in the National Tournament.

"We didn't have the stopper, the guy who could come in and put out the fire in relief." These words of Coach Bill Haywood seemed to sum up the 1970 baseball season for Western.

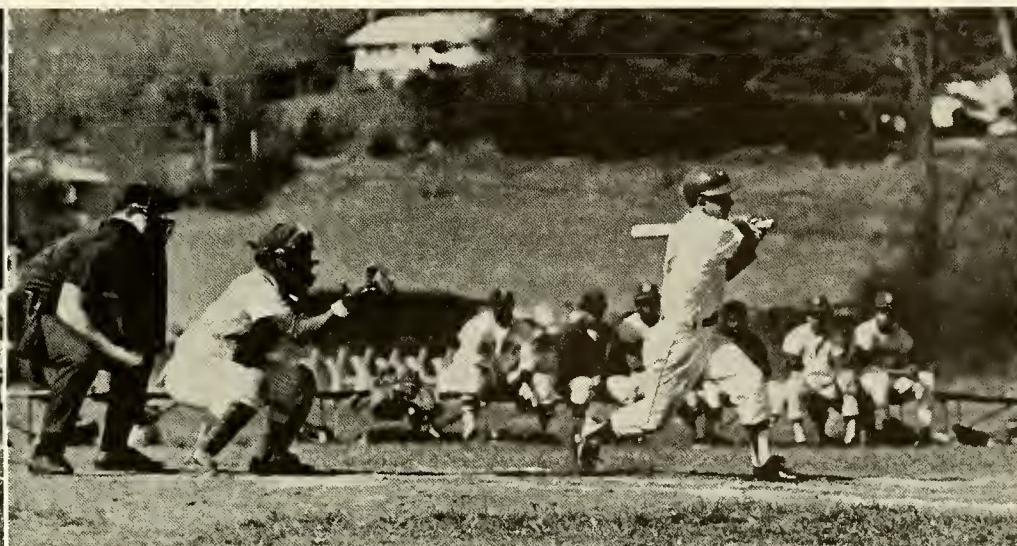

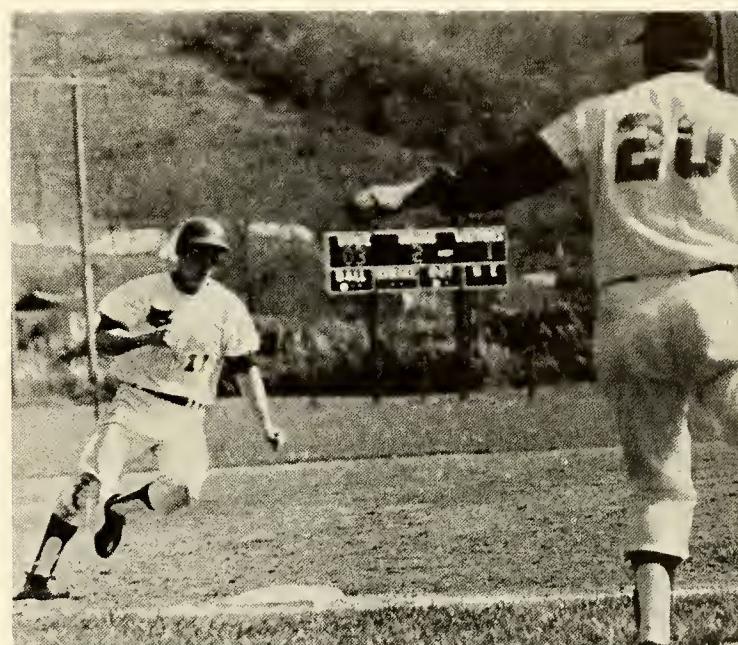

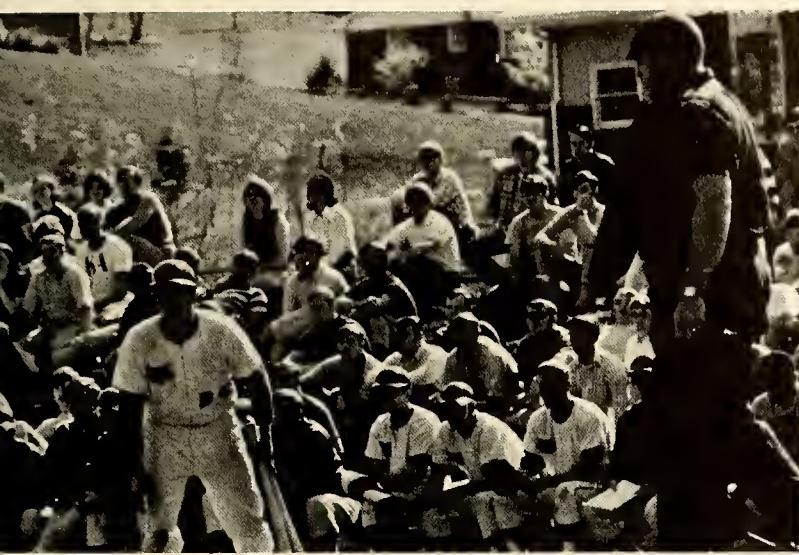

Before the season began, the pitching was expected to be the team's strength. Without an effective, late-inning reliever, however, the pitching staff played second fiddle to the hitters. This season, four players hit at least .300 with freshman infielder Bruce West leading all at a .375 clip. The team batting average was .255 compared with the oppositions .242.

The season ended with a 9-12 won-lost record. Next year, however, the team's record should be improved considerably. The only starter not returning is all-district catcher Steve Barkley who hit .333. Coach Haywood has already signed three catchers in hopes that one can fill the shoes of Barkley.

Ron Wall, an all-district selection — the team's most valuable player and Ted Whitworth, both who hit .300 or better this season, will be returning next year with big hopes.

W. C. U.'s track team had a very rough schedule this year, all competitor schools but one being N. C. A. A. But even with an 0-4 season in dual competition meets, Western's team placed 4th in Davidson Relays and attended Blue Raider Relays. We had a great come back to win the District 6 N. A. I. A. Championship for the second consecutive year, and our team set many school records.

Track coaches Mike Scanlin and Paul Jones did an outstanding job this year in keeping up the team's enthusiasm and determination. Those seniors which they will miss next year are team captains Ned Jones, John McGowan, and Tom Jordan; also, Roger Jones, Eric Berg, Mike Metcalf, John Tinsley, Buck Green, and Mike Soley. Those outstanding athletes sent to the Nationals were seniors Tom Jordan and Ned Jones and sophomore Terry Helms.

Senior team captains Ned Jones and John McGowan led their team to a better than average Cross Country season this year. WCU won 5 meets and lost 3 in the regular schedule, which tied us with Appalachian State for District 6 Championship. Running first for WCU with the making of 3 course records and winner of the Individual District 6 Championship was sophomore Terry Helms. Seniors were John McGowan, Buck Green, Roger Jones, Nick Frey, and Ned Jones. WCU's freshman Jerry Greene proved to be outstanding in his first season, and sophomores Terry Helms, Tom Gibbons, Mike Davis and freshman work horse Mike Blake have been invaluable to our team.

The 1970 golf team began the season at a blistering pace by winning five of the first six matches. Defeated were UNC-Asheville and Mars Hill, twice each, and Carson Newman once. At a match in Elon against Guilford and Elon, the Cat golf team began a six-match skid that continued for the rest of the season. The future of the golf team looks brighter. Tennis

The young, inexperienced tennis team began the 1970 season slowly by losing its first three matches but gained tremendous momentum in winning the last 8 of 11 matches. Hopefully the winning streak will carry over into next year.

The squad, consisting of four freshmen, one sophomore and one senior, lost twice to a strong Appalachian team and once to N. C. State. The team finished the season with an 8-6 won-lost record.

John Hemphill, who is transferring next year, and senior Charlie Daniel will be the only losses from this year's squad. Returning next season will be Craig Linton with an 11-3 record; J. W. Gilbert, 9-4; Don Bolick and Tim Oates, 7-3; and George Pankiw, 4-0.

Wrestling

In only their second year of competition, Western's wrestling team emerged as one of the new coming sports at WCU this year.

With a team of mainly freshmen, sophomores, and a few juniors, the grapplers compiled an 8 and 3 record. They lost only to powerful Appalachian State Univ. twice and Maryville. They came back later to trounce Maryville by 24 points.

Cobbledick muscled his way to an 8 and 3 record with 5 pins. Miller, a freshman, had an 8 and 1 record with 5 pins. He lost only Appalachian by default as a result of an injury.

In the N. C. Collegiate Wrestling tournament at Chapel Hill, Cobble Dick and Miller placed 3rd, while Russell and Baker placed 6th.

Experience coupled with some great recruiting makes next year look very bright for the Catamounts. Next year one could very easily see Western emerge as one of the top teams in the Southeastern United States.

Soccer

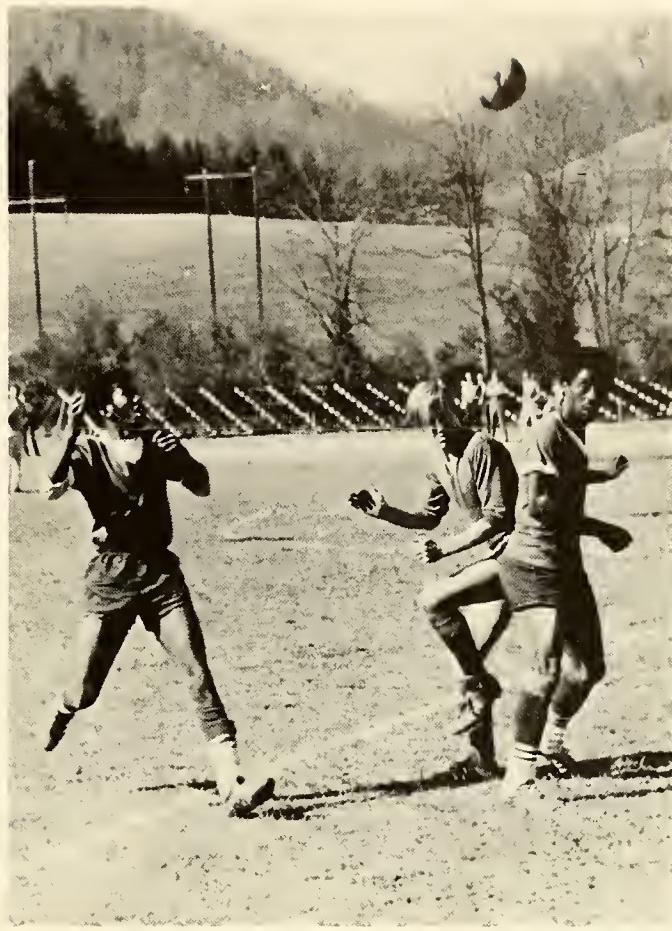

"We'll have a tough schedule. Anytime you begin a sport it's tough," said soccer coach Charles Schrader before the season began. The schedule was ambitious for a beginning sport. More than half the team hadn't played soccer before, yet WCU's newest sport did well. There are 15 returning lettermen for 1971, and the prospects for a winning season in WCU's second year of soccer are good.

GREY

To become a part of the Greek way of life is a difficult decision. It involves a certain type of mature perspective on the part of the young collegiate. Once this decision has been made, however, he is thrust into a unique experience known as Rush.

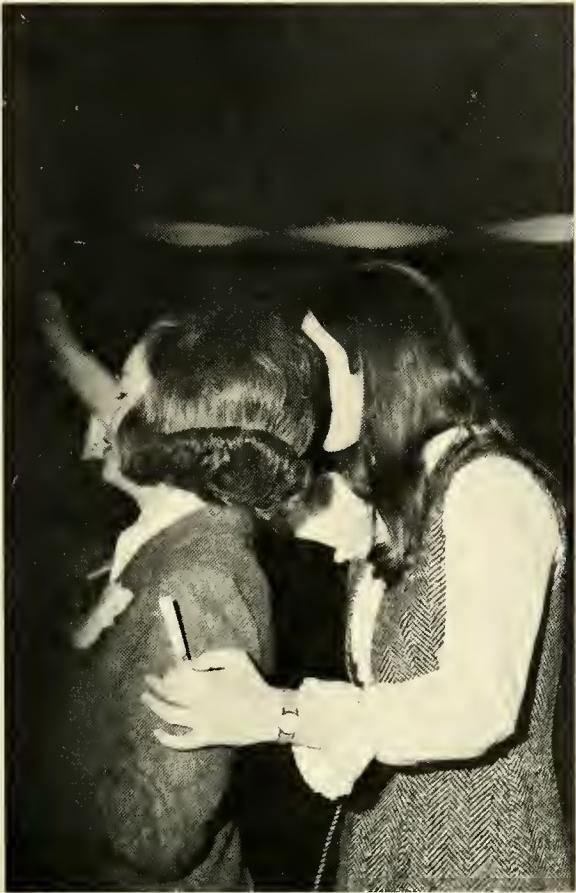

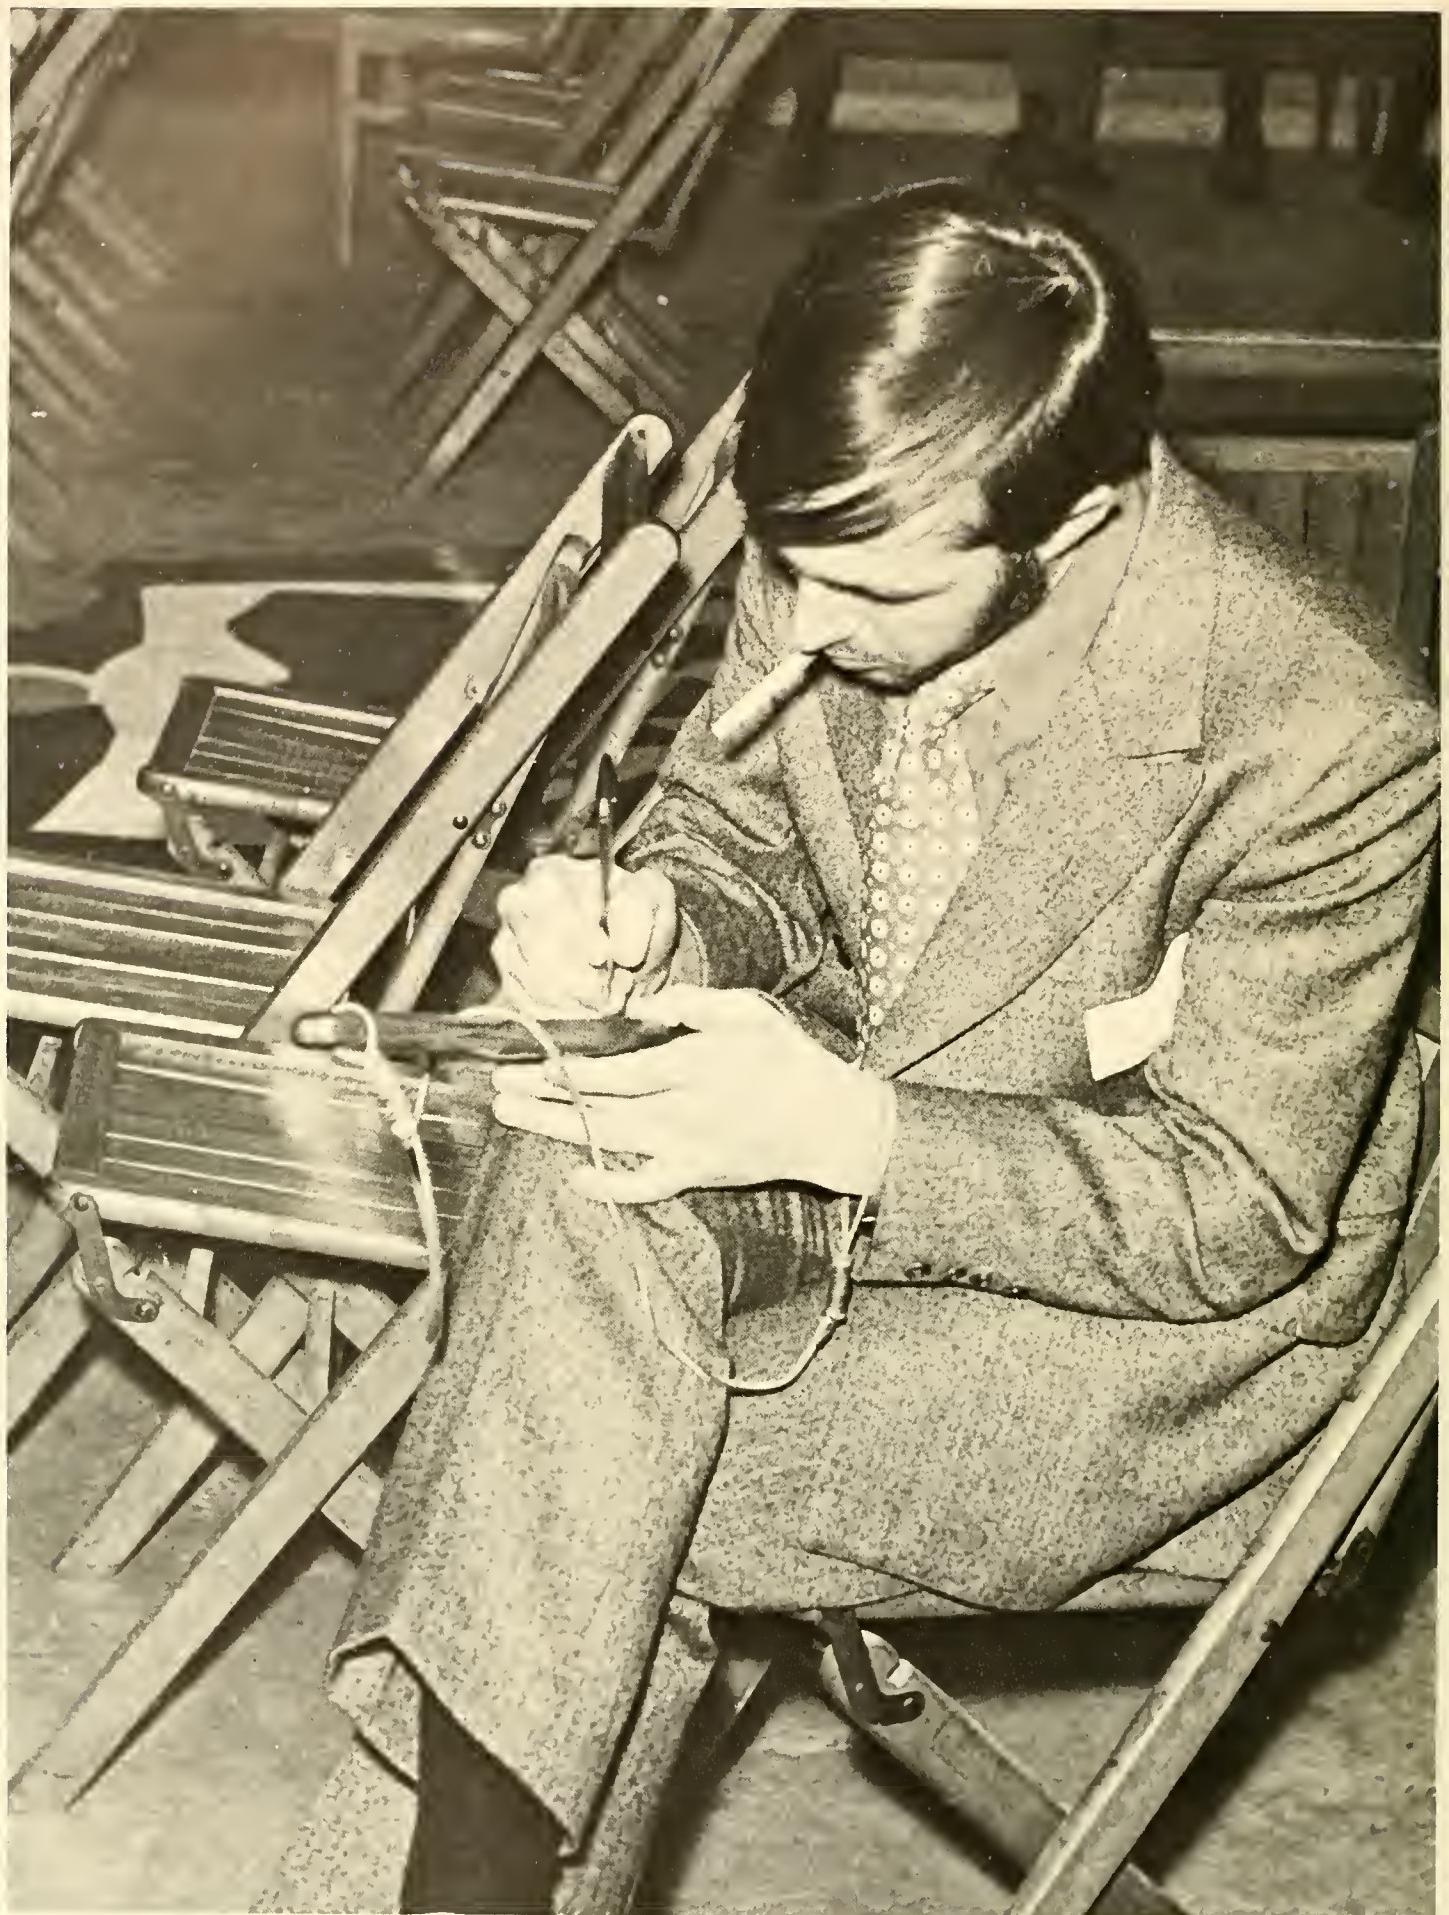

The Panhellenic Tea and I F C Smokers introduce the Rushee to the succession of Ice Water Teas, individual Fraternity Smokers, and a whole new world of people. Over a cigarette or a scrapbook float introductions and the continuous conversations of, "Where are you from?" and "Do you know?", embarrassing moments of forgetting someone's name, or the reacquaintance with an old friend — these are the ones who tell the Greek story and introduce the Rushee to the purpose and warmth behind the organizations.

For the sister or brother, Rush means much practice and even more planning — not to mention the visiting, the cut sessions, and the nervous waiting for everything from ice for the punch to the all important commitments and verbal contracts.

Skit parties, band parties, and the long weeks of preparation are finally culminated in the preference parties with all their exchange of words of affection and a final proof of ideals and goals held sacred to the Greek man and woman.

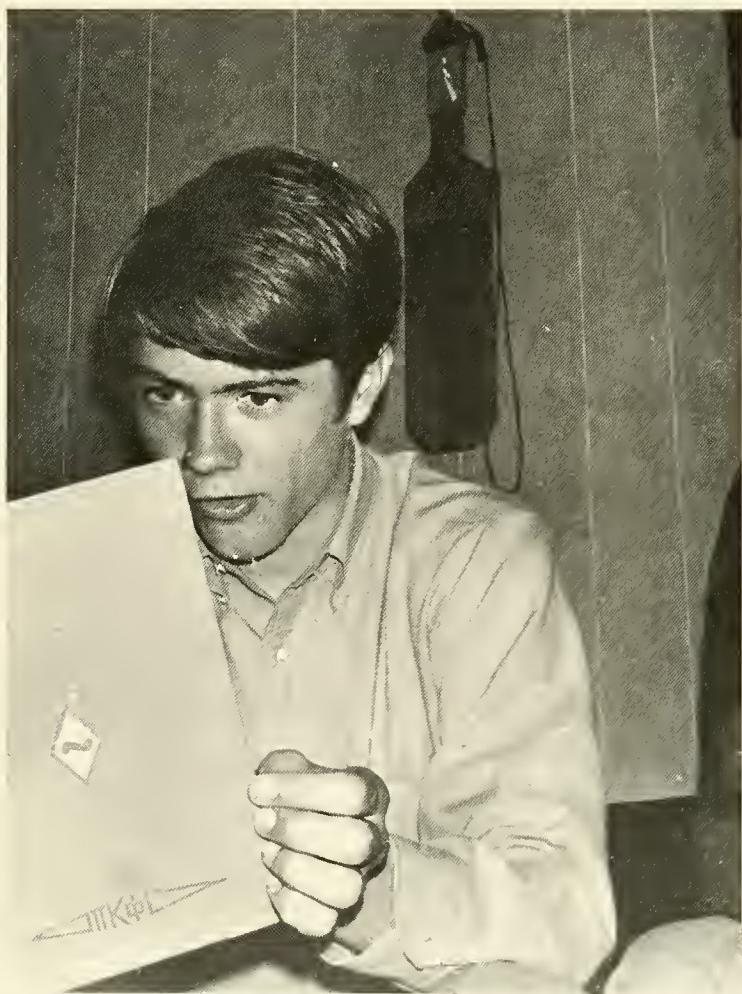

The Pledge period is a time of adjustment and acquaintance, pledge tests, pranks, projects, carrying paddles, receiving those many signatures, and the acquisition of a Big Brother or Big Sister. It is a working toward the final goal . . . brotherhood or sisterhood . . . the wearing of a cherished pin, and the sharing and striving for common goals.

CON SURFERS

SURFERS

For the fraternities, the purchasing of houses has provided the brothers with a new home for expression of ideas and a place to share with friends.

The sorority halls have become the center of sisterhood in a closer community of sisters than ever before.

Greek life is social and full of parties. With the Spring comes the fraternity weekends.

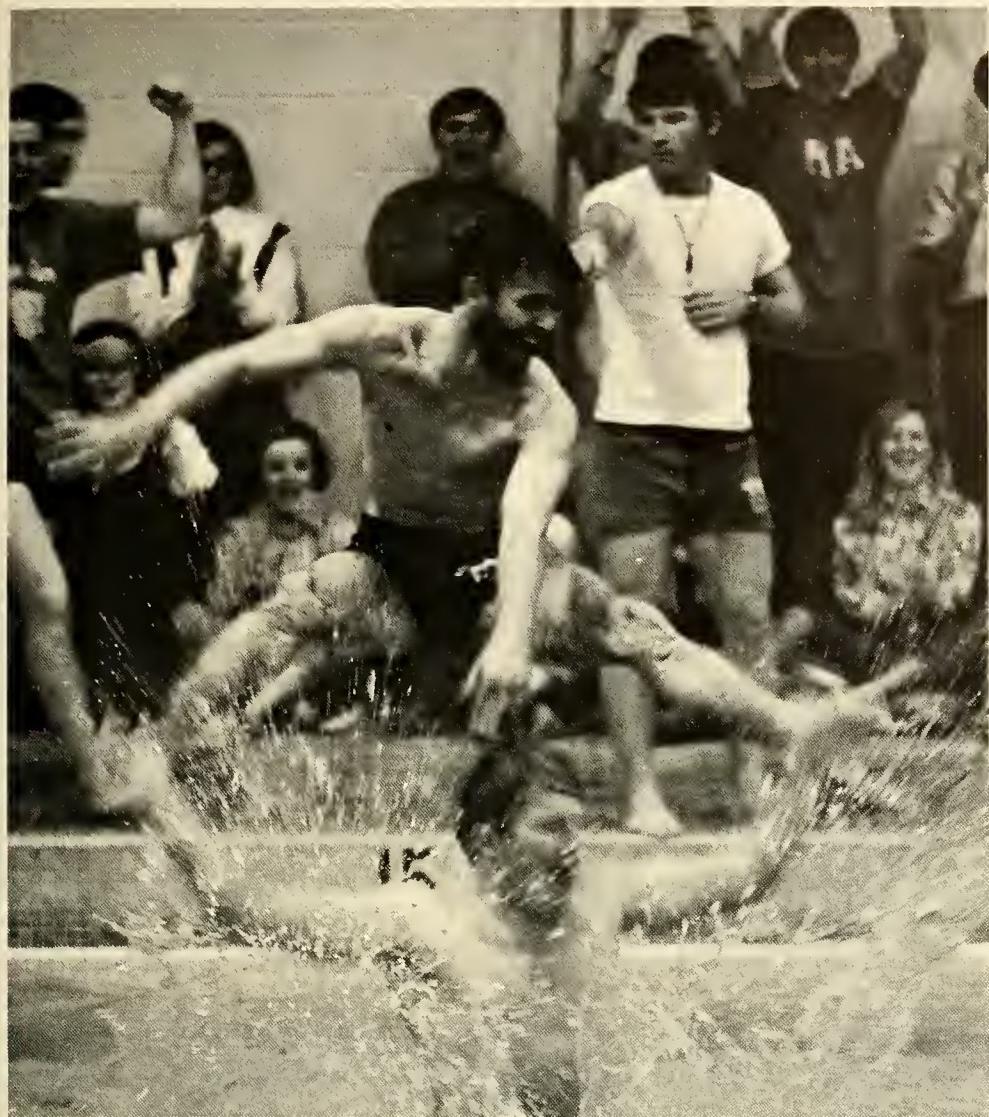

Greek life is a collection of private rituals and traditions, and its activities color the campus. Everything from the splash as some recently pinned brother is thrown in the river, to singing valentines, or Greek field days lend themselves to the fulfillment of a purpose.

The Greek life is a competitive life in which a title becomes a goal; a means of bringing honor and a sense of achievement to the group. The pride and joy of seeing ones own sister crowned homecoming queen, the honor of being selected to Who's Who, and the pride in winning the intramurals — all contribute to the development of an interfraternity spirit as well as a spirit among the members.

The Greek story is a simple one, a way of life one has chosen to live. It is a commitment of self, a total involvement with a group and a sphere of activity. It is a universal story of individuals learning, developing, and growing together. It is a youthful story, one of parties, happy times, and laughter. The Greek story is a story of mutual bonds, a way of feeling for someone — brotherhood and sisterhood. Perhaps, in essence, it is merely the story of friendship.

Interfraternity Council

The National Interfraternity Council is an organization composed of members from all fraternities on campus. The purpose of the Council is to encourage interest in scholarship, athletics and intellectual attainment; to promote cordial relationships among the member fraternities by providing a common medium through which to act; to promote the general welfare of the college by cooperating with the faculty and administration; to establish rules governing matters of general interfraternity activity; and to provide an organized means for integrating fraternity life with general student life on campus.

Panhellenic Council

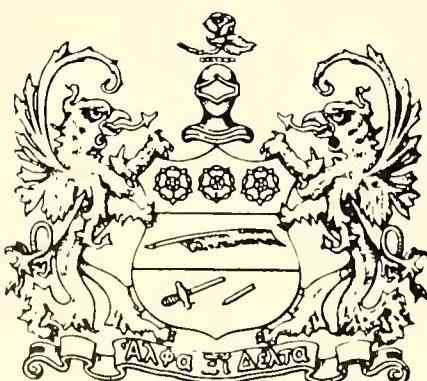

National Panhellenic Council dates from 1902 when the first interfraternity group for women's fraternities was established in Chicago, Illinois. The purpose of the 1902 meeting was to consider the question of "Rushing and Pledging." From this first meeting grew Panhellenic Council, the first organization on university campuses. The word "Panhellenic" means all-Greek, thus the Panhellenic association is the organization for all Greek letter sorority women.

(check one)

1. *What are the company benefits for me?..*
2. *What kind of work will I be doing?.....*

If you checked number one—we wish you luck in your search for employment. (elsewhere)

If you checked number two—read on, friend. You may be working in the interesting, fast moving man-made fiber industry. The work offers you plenty of challenge and excitement with great opportunity for personal and professional growth. (with ample company benefits)
